MESSAGE FROM THE PRINCIPAL

Our gardens are blooming fabulous and are a credit to our students, staff and parent volunteers who have instigated and implemented the beautification of our school grounds. Mr McCahon has installed a watering system to ensure we are able to keep the gardens alive during this very hot and dry weather. Well done everyone!

Have a nice weekend

YEAR 6 FAREWELL

It has been a long tradition for Year 5 students to pay for Year 6 to attend the Year 6 farewell. We will be continuing this tradition again this year. By popular choice the venue for the Year 6 farewell will once again be held off site.

It has been decided that the school disco which usually follows the farewell will be held at school on Wednesday 17th December after lunch. **There will be a dance at the farewell for Year 5 and 6 students only.** Notes will be sent home to all Year 6 and Year 5 students shortly with all the details. The farewell will be held as planned, on Thursday 11th December commencing at 6.00pm.

Sport Report

The Girls Cricket quarter final opponent has been decided and the girls will play Mulimbimby Public School on Monday the 24th November at Riverside 9 in Tamworth.

We wish the girls all the best of luck in this game and hope they can progress to the last 6 in the state to play in Newcastle in early December.

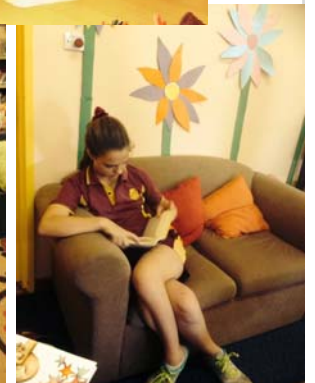

Looking toward presentation night, I am asking parents of students who participated in Tamworth Zone and North West teams to put together a list of all the sports that their children participated in and at what level for school this year. This is to cross reference my lists, help with the decision of sportsperson of the year, and to ensure that all students get the correct certificates at presentation night. Please return to me by **Monday 1st December.**
