What's Cooking in the Canteen

Volunteers for next week are:

Monday 24th November

Ally and Nancy Robinson

Friday 28th November

Nanna Margaret & Lyn Darling

Please think about your circumstances for next year. Have they changed? Is your baby starting school or now attending pre-school or day care? Would you be able to spare 4 hours per month, in air conditioned comfort to help out in the canteen? Perhaps you could team up with a friend, minding each other's smaller children so you could assist, thus both being able to help? It will also get you out of the house for half a day and meet new friends!

We are looking for committed volunteers to help us in 2015! On the job training, no previous experience required. Please text or call me, or the office with your details.

We look forward to having you on board.....and so will your children or grandchildren.

Remember, stay cool, drink lots of water and stay healthy.

CAPA CONCERT

Students of music, the primary and infants school choirs and Years 3, 4, 5 drama and Year 6 dance, will be performing in the school hall on 5th December from 1.30pm. Parents and friends are invited to come.

Class K-Blue Showcase

Kinder students have been busy working hard across all Key Learning Areas. In literacy we have been writing descriptions about zoo animals and applying some of the super six comprehension strategies to engage with texts. We have learnt to predict, connect and visualise when reading a text, to help us monitor our reading and improve our self-correction rates.

In maths we have been busy with assessments, working on time and data. It is amazing to see how much the children have improved throughout their first year of school.

The students have had fun participating in drama and music activities this semester. They have enjoyed working collaboratively in groups for performances and being given the creative outlet that these subjects allow. We have some very talented students.

A huge thank you to our parent and friend helpers who have given their time to help in the classroom throughout the year. We were also lucky last week to have Miss Chloe Wentworth join us for work experience. Chloe did a fantastic job and the students adored her.
