Friday 27	Staff Development Day
Monday 30	Staff Development Day
Tuesday 31	Year 1 - Year 6 Return

### February

Wednesday 1	Kindergarten Start
Friday 10	School Swimming Carnival

## Presentation Day

Congratulations to our award winners for 2022. We hope you enjoyed our slide show that was emailed to families last week.

## Last Day Mufti

Friday 16 December will be a Mufti Day. Please ensure your child still wears enclosed shoes, and a sunsafe hat and shirt. No gold coin donation is required.

More photos will be available to view on the school website next week.

## Student leadership.

Skye Davis, Principal

As the end of 2022 approaches I'd like to thank our School Captains, Kora and Beau as well as our Vice Captains, Hannah and Will for a job well done.

### Last assembly for 2022

Their dedication, time and service to our school community is very much appreciated. They have led assemblies, school events and meetings. All four students have enhanced school culture by preparing for special occasions, greeting guests in our school and carrying out their responsibilities diligently.

I appreciate all the positive memories that this group has given me. I am very glad to work with students who consistently set outstanding examples. Their leadership skills have evolved throughout the year and I congratulate them on their achievements.

You have been wonderful role models for all of our students and I am sure our 2023 captains; Chloe, Lucas, Lillian and Brodie will do a great job following in your footsteps.

Thank you lunch excursion this week

## Class Spotlight - K/1B

Just like that the year is almost done. K/1B have been on the go challenging ourselves all term! Notable mentions, our assembly item – we sang Loren Ryan's I can sing a rainbow in Gamilaraay Language and Sign Language. MADD Nights – oh what fun! The smiles said it all.

We would like to thank Mrs Harris for helping us with our dance. We were magic! Learning Gamilaraay language – our favourite words bigibila – echidna, dhinawan – emu and balabalaa – butterfly. Enjoying Aboriginal and Torres Strait Islander games - Gorri, Kai and Tarnambi were challenging but showed how determined we can be. We have been busy working collaboratively with 5S reading and writing.

'Reading is the best and writing, MADD Night practices and going to see Edward the Emu. It was amazing and funny.'

Connor

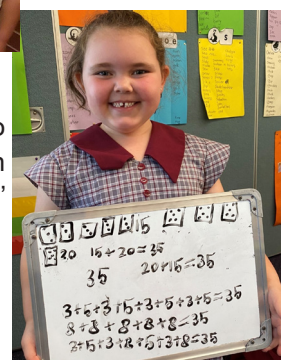

'I liked MADD Night and maths. I was a bit upset that I didn't get to sing the rainbow song at our assembly but I loved watching the video Miss Barrett took for us.' Bowen

'I love maths and we get to learning what we can do with numbers like adding and time'

Kaydie

'I just love writing' Bronte

Karyn Barrett

## Fortnightly focus on Literacy and Numeracy

Summer Fun with the  
Everyday Maths Hub

Explore our collection of fun maths activities over the summer school holidays.

The [Everyday Maths Hub](#) (from NSW Mathematics Strategy) continues to expand and is a great resource for parents and carers to support mathematics and numeracy learning, helping to enhance students' confidence and engagement.

Whether it's planning a road trip, exploring the great outdoors, entertaining over the Christmas period, swimming, or creating a play list there's an activity to get children involved with mathematics. Check out the new resources in "Summer holiday maths activities".

Wishing you all a Happy Holiday and a Merry Christmas.

Lynne Weis

## Mango Mania

Our mangos have arrived. Please come and collect them tomorrow during school hours. Thank you to the Nemingha community for your support of our fundraiser.

Roxanne Harris

## Choir Update

We wish our dedicated choir good luck with their performance at the Kootingal Carols on Saturday evening. Merry Christmas to all!

We would also like to sincerely thank Baiada and One Steel for their generous support for our School Spectacular excursion.

Roxanne Harris

## Ripper Recycling

On canteen days and, even during our MADD Nights, people have been thoughtfully recycling their 10c bottles and cans in our school's allocated bins. With one Meal Deal for the year still to go, and with the bottles already recycled during the term, we expect to raise an additional \$50 towards the Year 6 gift to the school. Thank you to our band of Year 6 students and parents for passing these bottles through the machines during the year: Zahlia and Kain Norman; Pia and Natalie Flemming; Emma and Kath Geddes; and Ailie and Michael Gibson. Your contribution has been greatly appreciated. Thank you.

Vanessa Miller

## Nemingha's Got Talent

Students have begun finalising costumes, props and polishing their acts in preparation for next week's Nemingha's Got Talent. All students are invited to enter the talent show competition run by the school leaders. Students will perform in front of their peers on Friday 16 December. The top three places will receive a prize. Students may only perform in one item and each item has a 2 minute time limit. Each student entering is required to pay a 50c entry fee, which is being collected by our school captains throughout each school day leading up to the event. Entries close next Wednesday. Good luck!

Amy Davidson and Vanessa Miller

## Thank you Joblink Plus

Thank you Joblink Plus for the wonderful Didgeridoo program you have run for our students. We have thoroughly enjoyed learning about Aboriginal Culture and building Didgeridoos.

The following notes have been sent home this week:

### **Selected students**

Kootingal Christmas Carols  
5/6M Class presentations  
Gamilaraay Language Lesson

### **All Students**

Class End of Year Parties

## Nemingha Nets

Nemingha Nets played their Grand final last week. This is the first year they have played together. The team is coached by Mrs Porter. They were runners up to a team that has been undefeated all year. They played really well, the score was 38 to 22.

## Basketball Success

### GRAND FINAL GLORY

**The Nemingha Grizzly team fought hard to make it to the Grand Final. At one stage they thought they had missed their chance.**

This team showed great determination and dedication to come away with one of the closest games in history. Even Will Elwin who was away with Beau Wiegold came back early to make sure the team was set. It was the last game for Jiah and Beau who will move to High School next year. Thank you to all the parents who go every week to support and take the boys to the game and Mr Dean Bliss who coached the team. The winning shots came from Brodie Bliss who was as he said 'in the zone' and blocked out everyone. The boys worked super hard as a team and their efforts were rewarded.

Beau Wiegold, Jiah Kelly, Brodie Bliss, Max Thompson, Ryan Tongue, Mathew Murphy, Parker Beaton

Max-What I remember about the grand final was when there was only 2.9 seconds left on the clock and Brodie got fouled for 2 shots and we were down 21-20. When I saw the time I literally started trying but at the end of the day we still got the win!! Go grizzly's. And the quote of the game is no days off, work hard by Swany.

Jiah-I remember that when we had 5 seconds to go we had to many team fouls that every time we got another foul they got free throws and we got fouled then they got 2 shots and they got two shots and Max started to cry and my quote is-good teams become great ones when the members trust each other enough to surrender me for the we.

Parker-I remember that we were winning 19-20 but we gave them a foul. They got 2 shots and they made both. It was 21-20 and brodie the goat got a shooting foul and he made both shots with 2.9 seconds left and won. My quote is: talent wins games but teamwork wins championships.
