

Nemingha Public School P&C Association

'Just One Thing'

One of the things that make Nemingha Public School such a great place is our active, friendly, school community. We want to make sure every family (especially new ones) has the opportunity to get involved.

Volunteering at school is a great way to meet new people, make friends and your children get a kick out of seeing mum/dad/grandparents or any other special person at school. Nemingha School has a very active P&C, and if you are interested in becoming involved the P&C is a great place. As a result of the high level of support from the NPS community your P&C operate the school canteen and uniform shop, other projects that have benefited from our fundraising efforts include:

- Subsidised bus travel for all school excursions
- Assistance in establishing the Stephanie Alexander Kitchen Garden
- Financial support for sporting and cultural representation at state level
- Purchase of iPads and computers for student learning
- Installation of air conditioning in class rooms and canteen
- Purchase of library books, class reader books and classroom furniture
- Shade covers for outdoor play areas and basketball court

We have almost 140 families attending Nemingha Public School. We would be extremely grateful if every family could nominate to do '**Just One Thing**'.

Below is a list of 'things' that we would appreciate your assistance with. **Please tick one box** (or more if you wish) and place your contact details below. Then return your letter to the school with your child as soon as possible so that we can collate the responses.

When the time comes, someone from our P&C will contact you regarding participation. If you are unable to help but would like to be kept up-to-date with activities and events organised by the P&C, please complete your contact details below and return this form to the school office.

Thank you in anticipation of your valuable help.

Yours sincerely,

Maryann Murdoch
President P&C
